

## Turtle Dovin'

### The Coasters

My baby she don't go to shows  
She don't put on no fancy clothes  
I never have to spend a dime  
She'd rather stay home and pass the time

Turtle dovin', turtle dovin'  
Kissin' and a-huggin'  
She loves my loving  
Turtle dovin'

Some girls they like to run around  
And get all dressed up and paint the town  
My baby never wants to run  
Cause me and her have so much fun

Turtle dovin', turtle dovin'  
Kissin' and a-huggin'  
She loves my loving  
Turtle dovin'

I hear the stop work whistle blow  
My work is done, it's time to go  
My babes is waiting at the door  
I know just what she's waiting for

Turtle dovin', turtle dovin'  
Kissin' and a-huggin'  
She loves my loving  
Turtle dovin'

Turtle dovin'  
Turtle dovin'  
Turtle dovin'  
Turtle dovin'  
Turtle dovin'
