He's got a house made of glass Got his own swimming pool...what a gas We've got a one-room shack Five by six by the railroad track, well

What about us
What about us
Don't want to cause no fuss
But what about us

He's with a beautiful chick Every night of the week, pretty slick We're two poor hung up souls Girls won't touch with a ten-foot pole, well

What about us
What about us
Don't want to cause no fuss
But what about us

He goes to eat at the Ritz Big steaks, that's the breaks We eat hominy grits From a bag, what a drag

He's got a car made of suede
With a black leather top, got it made
If we go out on dates
We go in a box on roller skates, well

What about us
What about us
Don't want to cause no fuss
But what about us
