

You Don't Know

The Coffinshakers

We've known each other for quite some time and I can
tell you are confused
Don't really know what to make out of me or what I'm
gonna do with you

I could be an agent of fortune, I could be a bad luck
charm
I could take you to heaven or I could do you harm

Am I sent from Heaven or spawn of Hell?
Well, you don't know, you don't know
You don't know and I won't tell

Everytime you kiss me you're taking quite a chance
Am I out for your blood or maybe just romance?

I could be...

Am I sent from Heaven...

Am I evil, or am I good?
Demon from Hell, misunderstood?
Am I false or am I true?
The advocate of Lucifer or just a fool for you?

We've known each other...

I could be...

Am I sent from Heaven or spawn of Hell?
Well, you don't know, but you will know
Yeah, the hard way you will learn 'cause I won't tell
