The Colourist

We believe that you run through the middle of the nig-ight
I'll paint a picture of whatever you li-ike
This painted fog is it to rise sli-ah-ight?

Grab your shoes just before I'll leave it up to you
We could kiss in the rain or go a part of me too
Wonder round with friends till the morning should
I don't mind that as long as I'm with you

Grab my hand, we could dance, we could stir up the crowd
Laugh with friends on this, I don't care when or how
Just as long as you're here, just as long as you're here
And as long as I'm with you

I flow so fast, I'm still waking up with thoughts
Of lust, I really felt like a trip
When we woke up remember how we stayed up and danced the night away

Grab the shoes just before I'll leave it up to you
We could kiss in the rain or go a part of me too
Wonder round with friends till the morning should
I don't mind that as long as I'm with you

Grab my hand, we could dance, we could stir up the crowd
Laugh with friends on this, I don't care when or how
Just as long as you're here, just as long as you're here
And as long as I'm with you

Don't need the path, when I'm with you I feel so fast
The trees in us like the forest is fighting for us
And I don't care if I don't sleep at all
My eyes are wide when I am with you
I'm feeling love, feel we're winning it all
Is there a chance that we're taking it all
Tonight I'm believing it all.
As long as I'm with you

Grab my hand, we could dance, we could stir up the crowd
Laugh with friends on this, I don't care when or how
Just as long as you're here, just as long as you're here
And as long as I'm with you
