

## That Part

### The Common Linnets

Watch the sun come up  
At the end of the night  
Watch the stars burn out  
Put the TV on for a while

And this room`s too cold  
And the clock`s too slow  
And I`m wondering, where you are  
And I don`t want to know

And I can`t breath  
And I can`t feel my heart  
And as easy as it should be, it`s not  
Guess maybe you`re waiting  
For the last scene to start  
But I can`t play that part

All the pitches of you  
I clear them under the bed  
All the good and the bad  
That I`m trying so hard to forget

They say memories fade  
I don`t know if they do  
And honestly, I don`t wanna believe  
That I needed to

And I can`t breath  
And I can`t feel my heart  
And as easy as it should be, it`s not  
Guess maybe you`re waiting  
For the last scene to start  
But I can`t play that part
