

Thief Is In The Vineyard

The Congos

Thief is in the vineyard
Trying to spoil the harvest
Thief is in the vineyard
Trying to spoil the harvest

They try to change
The thought of love and happiness
To lust and disgrace
To Shame and disgrace
They try to change
The thought of love and happiness
To lust and disgrace
To Shame and disgrace

Thief is in the vineyard
Trying to spoil the harvest
Thief is in the vineyard
Trying to spoil the harvest
But Jah is going to pluck them out
With lightning and thunder right now
Jah is going to pluck them out with lightning and
yunder

All their worship is pride
And vanity vanity vanity
They got no love in their heart
For humanity humanity humanity
All their worship is pride
And vanity vanity vanity
They got no space in their heart
For reality reality reality

Thief is in the vineyard
Trying to spoil the harvest
Thief is in the vineyard
Trying to spoil the harvest

(instrumental)

If you can recall the colour
Of the red white and blue
If you can recall the colour
Of the red white and blue
It's the symbol of the barberman too
It goes on and on
To the policeman too
It moves on and on
To the soldier man too

Thief is in the vineyard.....
