

Invalidation Waves

The Contortionist

Try to see others, cause I!
Love to stay away of you!
It never works, and I try!
No one is able to change this!
Try to see others, cause I!
Love to stay away of you!
It never works, and I try!
No one is able to change this!

I! I! I! I!
Want you dead!
I just want to see you dead!

This day!
One way!
I love!
Your life!
I love!
Your death!

It feels so wrong just to breathe!
I learned to live! With this state!
I never felt so alone!
They all have left me to die!
Left! To! Die!
Left!!!
To!!!
Die!!!
Left!!!
Die!!!
Left!!!
To!!!
Die!!!
Left!!!!!!
