

Shapeshifter

The Contortionist

Why can't we find ourselves?!
Here again?!
You! You! Seem so away!
And now I know...
That we will never be!
What you always wanted!
We'll never be!
What you always wanted!
WE-WILL-NE-VER-BE!

Why can't we find ourselves in!
We can't lose this story!
Why can't we all find ourselves!
I know, I know that we!
We'll never be!

This will never be the same!
THIS WILL NEVER BE THE SAME!

(I'll never forget, everything you told me. I'll remember forever. I'll remember everything. I'll remember everything... You said)

Let's make this our last goodbye!
Let's make this our last goodbye!

YEAH!!!
THIS LAST GOODBYE!
THIS LAST GOODBYE!
