

Pa, I Need A Car

The Contours

Yeah, Pa, Jimmy's got a car and he's driving my baby all over town

Yeah, Pa, if I don't get a car

My baby, she's gonna put me down, yeah yeah yeah

Hey, Pa, she likes me to go to the drive-in, now now

And Pa, if I only had a car

Her love, I know I'd surely win, yeah yeah yeah

Pa, I work my fingers to the bone around the old farm

Fed all of the hogs, Pa

I put the cows in the stall, Pa

But that's how bad, that's how bad I need a car, Pa

Yeah yeah yeah yeah, yeah, Pa

That's how bad, that's how bad I need a car, Pa

Yeah, Pa, she said her love for me is still very strong now

But walking down the dirt road, she says

Walking down the dirt road ain't very much fun, yeah yeah yeah

Yeah, Pa, I need a car to win her heart now

Pa, I need a car to win her heart now

Pa, I begging you, please, please now

Pa, can't you see me on my knees now

Pa, I need a car to win her heart now

Pa, I need a car to win her heart now

A little car with the roof down, Pa, Pa, Pa

Little car with the pretty wheels, I'm begging you please

Pa...
