

# Searching For A Girl

## The Contours

When I first laid eyes on you (woo-hoo!)  
Knew one thing my life is ruined (Woo-hoo!)  
Up and gave you all my love (Woo-hoo!)  
And I got nothing in return

I'm always searching for a girl that's gonna love me  
searching for a girl that's gonna love me  
She don't have to be pretty, she don't have to be smart  
Got to be pure at heart  
That's why I'm hoping (Hoping)  
Praying (Praying)  
Awaiting nah nah and a-watching  
I'm going searching for a girl that's gonna love me  
Searching for a girl

Don't be surprised with nothin' I do (Woo-hoo!)  
I'm going far away from you (Woo-hoo!)  
I'm gonna walk right out that door (Woo-hoo!)  
And I ain't coming back no more  
No, No

I'm going searching for a girl that's gonna love me  
Searching for a girl that's gonna love me  
She don't have to be pretty, she don't have to be smart  
But got to be pure at heart  
That's why I'm hoping (Hoping)  
Praying (Praying)  
Awaiting nah child and a-watching (Watching)  
I'm going searching for a girl that's gonna love me
