Moros

The Convictions

I've been waiting to see your face again
I've been searching to find the light again

You don't know me
No, no, no, no
You don't know me

I can't shake the thought that I might be
The only one who feels like this
I am alone

These words feel like a suicide note
I'm just hanging here by my throat

So savior, oh please
Show yourself and save me
Save me from myself

I am calling out your name, please hear my voice

And I just need to see the light again
Stuck inside this hole and I can't ever win
When will I see your face again?

Why am I always stuck in the dark?

The branches in my mind continue to grow
It seems I've lost all self control
Surely I'll hang here all alone
You don't know what it's like to be me
You don't know me
I thought of killing myself to feel closer to you

I am calling out your name, please hear my voice

And I just need to see the light again
Stuck inside this hole and I can't ever win
When will I see your face again?
My mind is racing, I can't stop shaking
There's a void inside my chest
And I've been thinking, it keeps me drinking
When will I find some rest?

Wake up oh, sleeper
Rise from the dead
And Christ will shine on you
This is my resurrection

Fear not, for I am with you
Do not be dismayed
For I am your God
I will strengthen you
I will uphold you
With my righteous right hand

I just need to see the light again
Stuck inside this hole and I can't ever win

When will I see your face again?
My mind is racing, I can't stop shaking
There's a void inside my chest
And I've been thinking, it keeps me drinking
When will I find some rest?

When will I find, when will I find some rest?
What will I find, what will I find?

Wake me up, I'm trapped inside my head
Wake me up, show me your face
