

## Reckless

### The Convictions

God, I'm so reckless  
Abandoned my teachings it's like I fall back into my old ways  
Every time I get down it's like this never ends  
You said You'd always be there for me  
Why do I always run so far from home?  
This is my sinful season  
I fail, I falter, make mistakes without rhyme or reason  
I'm reaching out, so pull me in  
Save me, I know I've been reckless, I'm falling away  
Change me, I know that I need this, I'm calling Your name again  
Consumed by vices, they take a hold of me  
I failed my family and returned a mockery  
A constant disappointment  
I let you down, I always let you down  
It's spiritual warfare  
Lord, please hear this prayer  
Face down, I traded riches for a fruitless crown  
I'm stuck in ditches that my heart has found  
The demons flee at the trumpets' sound  
God, Your voice is thunder  
Shake the ground  
It's spiritual warfare  
Lord, please hear this prayer  
Father, You never disown  
I'm coming home
