

# The Storm Will Pass

## The Convictions

Relocate. Recover. Discover there's value in your life  
I've wanted to give up so many times. There's no hope here  
I don't care anymore  
I don't care about anything or anyone  
Just get away from me and let me be  
Death seems like the only option  
Nothing seems to get better (You'll get better)  
You know I'm not  
When you feel like giving up, just remember that you're not alone  
When you feel like giving up, remember why you held on for so long  
Re-imagine and take action. There's so much God has in store  
But when there's no open doors, it's hard to see what there's to live for  
Sometimes i think this world would be a better place without me  
There's always hope for the broken  
Redeem me, Redeemer  
Come near and rescue me  
Redeem me, Redeemer  
Restore this spirit, reveal there's grace  
Maybe this is a passing phase or just a selfish, shallow grave  
It's hard to see you  
Thinking back on every one I hurt, regretting the person I've become  
I wanna know  
I need a purpose  
Wake up, tomorrow's a new day  
Remain steadfast  
Wake up, tomorrow's a new day  
The storm will pass
