

Connect 4

The Cool Kids

I ain't got no issues with it
30 foot yacht with the kitchen in it
(Ooh, I got a thing for the yachts too
You still got the dealer phone number?)
Yea I gotchu
Spot you real quick like a weight lift
Magician with a nigga, I could shape shift
Dog called said he need about 8 minutes
(Man, that was quick)
Homie don't waste not a second
(You disrespect, he gon' get you chased out of Texas
So watch your tone and don't ask a lot of questions
Or lose this plug like a wifi connection
Aye, I'm a cop an acre out in Cancun
With big Jeep wagons in the sand dunes
Yea, I'm a start my selection
If you was smart, you'd guard your connections)

Mmm, connect 4
I'm a line 'em up in a row
You need the connect though
I'm a get him on the phone
Connect 4
Line 'em up in a row
You need the connect though
I'm a get him on the phone
Connect 4, connect 4, connect 4
I'm a get him on the phone

So how you waiting in line but you connected?
Aye boy your story just ain't adding up
Sure bro, I'll let you have her when I've had enough
I found a bounce on this bitch, I can't pass it up
If she ain't got no back like a flip flop
Sandal chocolate, she can ride with Banco Poppa
Aye aye, and if you get a new connect
And you don't share it with your dog
Then that's really not you partner
I'm importing white gold from the jungle
This Banco to Captain Crunch dog Colombo
First edition Mariani music with the Feragami
Same color lobster bisque, hold on lock connect

Mmm, connect 4
I'm a line 'em up in a row
You need the connect though
I'm a get him on the phone
Connect 4
Line 'em up in a row
You need the connect though
I'm a get him on the phone
Connect 4, connect 4, connect 4
I'm a get him on the phone

Fresh off the stoop in them New Balance
Crazy new colors got a few palettes
Sounds like funk records found a new talent

We the naughty champ nigga, peep the new jacket
Shoutout to Joe my connect on the low
Puttin' two and two together and we have that connect four
Me and Mikey alright, we just booked a world tour
Doing knowledge, 125 percent, I'm getting more
Just like Zeke and Joe D
It's the essence and the message with Nas and AZ
I had said that on a remix with Drake
The plug just called, you can scoop it today nigga

Mmm, connect 4
I'm a line 'em up in a row
You need the connect though
I'm a get him on the phone
Connect 4
Line 'em up in a row
You need the connect though
I'm a get him on the phone
Connect 4, connect 4, connect 4
I'm a get him on the phone
