I never had a stain on my shirt I'm Pine Sol pine needle clean in the dirt I got the works I work the full shift full of work Not work, work But I shelf boxes of hotness Don't drop it Materials of value in those boxes Don't box me I'm Sugar Ray Leonard to them Boxers Watch me not watch them I'm like clockwork Charles got a Flava Flav clock on his shirt And it tick tock tick tock tick when it works I pick mine, get twist mine, Jack it'll work I got a smiley face have a nice day t-shirt Mikey said you should wear it at our next concert And... it's a poster of The Kids on the CD insert Hands in the air even if your arms don't work The Cool Kids banging on the speakers in your car system Me and Mikey present: "When Fish Ride Bicycles" Every time I kicks it raw You know we too legit to fall Of course you can get some more But only if you get the door It's the deliveryman - but I didn't order that It's the deliveryman - but I didn't order that It's the deliveryman - but I didn't order that Add a little change to the pocketbook I can shake each and every hand on an octopus In the time it takes to blink - tick tock it took Six seconds just to get the -ish poppin' - UH Drop the hook Let me drop a hint I rhyme in tsunamis and this is just a drop of it If you DJ you should get a drop of this I could be talkative if I like what the topic is If it's broke I got to fix it If I'm not a whiz kid at it

Oh was that just part of the invention I go bananas before I let the monkey $t \cdot t$

I go bananas before I let the monkey throw the wrench in Now that I got your attention

And I'll having it kicking like you had six feet in it

I am ten-speed and my gears keep on clicking My ears hear things that I can't even mention

Now that I got your attention
Old folks still waiting on your pension

Then I guarantee that my partner is

Show me where the socket is I don't even need a toolbox Give me a wrench and 15 minutes

I'm your new landlord just call me when the rent's in
