

Woah

My phone was off

I ain't see your call

I ain't just tryin' to smash

I'm trying to do some yoga with you

I'm trying to watch insecure

Nah baby I don't know that girl

I think she go with Kodak Black

Fuck that girl, I just wanna vibe with you

Think of things you and I could do

[?]

[?] how she kicking your bitch out of the party whenever she see me

One and a two and a three and a four

Counting my scratch like I'm keying a car

What's the occasion, why you at the bar with your friends

You wanna tell me again?

You know that it's my birthday

My friends bought a table and a bottle of spades

Dress fitting right so I can show off my shape

I'm a couple glasses in, shaking ass on the table

Talking about it's your birthday

(It's my birthday)

You ain't gotta pay

(I ain't gotta pay)

Oh you got a man?

(Yeah I got a man)

Where he at then?

(I dunno, I dunno)

It's your birthday

(It's my birthday)

You got a new thang

(I got a new thang)

Bought a few friends

(Bought a few friends)

You want a new Benz?

(I want a new Benz)

Well work x32
