

## Flat

## The Copyrights

Well the world isn't flat  
And the sky's not falling down  
And there is no magical force  
Holding you to this town

That's why I cringe  
Every time that you say you're stuck here

Well there's no god and  
There's no such thing as fate  
Destiny is bullshit,  
Your future's yours to make
