

## My Heroes Are All Assholes

The Copyrights

It's not a question of if  
it's a question of when and how  
how long will you hold out  
before you let them let you down  
it's not a question of age  
that's one thing we know for sure  
it's a question of realization  
cause we're not kids no more  
When you find that your heroes are all assholes  
you'll put that pedestal away  
When you find that your heroes are all assholes  
you'll try to make it all make sense some way  
Like a cheated on housewife  
it's a lose lose situation  
how long will you hold out  
before bringing it to his attention  
because there's so much at stake  
nothing to gain but sweet sweet pride  
it's a question of satisfaction  
and how you feel inside  
When you find that your heroes are all assholes  
you'll put that pedestal away  
When you find that your heroes are all assholes  
you'll try to make it all make sense some way  
cause there's so much to lose  
but there's nothing to gain from the truth
