You're so over it (4x)
You're grown out of this phase and now it's time for something
new
it's time to act your age cover past mistakes with a new tattoo
I should understand your maturity well I don't
the mainstream forgets so easily but we won't
it was fun while it lasted
but you're moving on
just like everyone you'll be missed
You're so over it (4x)
You're so over it and I can't stand it
You're so over it you're so over it
It's over you (Bye Bye Bye)
