I got a wishbone, but not a backbone
I got a wishbone, not a backbone

I got a wishbone, but not a backbone
I got a wishbone, not a backbone

I got a big brain full of big dreams
And no clue what I'm doing
No blueprint or attack plan
But plenty of impossible tasks and
I got big eyes filled with finish lines
But a starter pistol can't make run

It's so easy to dram big now
But really how can you be let down
When you haven't done anything at all?

I got a wishbone, but not a backbone
I can't stand it, but I can't stand on my own

I got a wishbone, but not a backbone

I got a wishbone, but not a backbone
I can't stand it, but I can't stand on my own

I got a wishbone, but not a backbone
I can't stand it, but I can't stand on my own
