

Blessed To Call You My Own

The Coronas

I was too scared to be me
Felt like a cliché from some movie scene
Breaking my heart on my sleeve
Not quite as Hollywood, just as naïve

To all the lonely ones, the only ones who know
As far as I'm aware I don't belong there
I'm blessed to call you my own

I can tell there's a difference
Yeah, it's night and day
You've heard all my jokes but you laugh anyway
And I need you
Have I made myself clear?
And I don't plan on losing you now that you're here
No, I don't plan on losing you now that you're here

To all the lonely ones, the only ones who know
As far as I'm aware I don't belong there
I'm blessed to call you my own

And all the lonely ones, the only ones who know
As far as I'm aware I don't belong there
I'm blessed to call you my own, yeah

If all I have is gone and all at once things go wrong
Well, the thought of getting through is so much easier with you
I'm blessed to call you my own
