

# Half Awake

The Coronas

You've fallen from yourself  
What if I can't help?  
As friends we drift away  
That's never gonna change  
Don't I know it?

So stall it for a month  
We'll call you when I'm drunk  
What if we admit  
That something's gotta give?

Wouldn't you know I get it right sometimes?  
Wouldn't you know it makes sense?

But you don't have to say it like that  
You don't have to take it back  
I don't wanna be half awake  
I just gotta be honest babe

Wouldn't you know I get it right sometimes?  
Wouldn't you know it makes sense?

So give yourself a break  
Of course I can't relate  
How could you feel?  
Well it's not to do with me

Wouldn't you know I get it right sometimes?  
Wouldn't you know it makes sense?  
Wouldn't you know I get it right sometimes?  
Wouldn't you know, we're still friends?

I know you wanna make it work  
But it's only gonna make us worse  
Your talking doesn't seem to help  
I love you but you're not yourself  
But how could you just say that now?  
It's only 'cause I'm freaking out  
You shake me when I'm half awake  
We said that we'd be honest babe

Call me a [?], call me a [?]  
You know I've been called a lot worse than that  
Call me a [?], call me a [?]  
You know I've been called a lot worse things than I'm not

Wouldn't you know I get it right sometimes?  
Wouldn't you know it makes sense?  
Wouldn't you know I get it right sometimes?  
Wouldn't you know, we're still friends, oh?  
Wouldn't you know?  
I get it right sometimes  
Wouldn't you know?

You've fallen from yourself  
What if I can't help?  
As friends we drift away

That 's never gonna change
