

I Think We Jinxed It

The Coronas

If I was your saviour, well of course I'd help
If I wasn't unstable I would've said something else
'Cause if it was easy we could look it up
Say something cheesy to remind us that we're loved

And this is our last chance to get it right
I know we said it a thousand times
Give us something to cling to
Now we both got shit to lose yeah
There's something missing yeah
I think we jinxed it

So let them say that we're just lost
'Cause I don't wanna go, I don't wanna grow
Yeah I think I'm done competing
And if it's best to win at all costs
Well you can let them know that I lost control
Yeah I think I might concede it
It's done

And if I was braver, then I guess I'd stay
If I wasn't a fader, I might want to stay awake

Yeah this is our last chance to get it right
I know we said it a thousand times
But give us something to cling to
Now we both got shit to lose yeah
There's something missing yeah
I think we jinxed it

So let them say that we're just lost
'Cause I don't wanna go, I don't wanna grow
Yeah I think I'm done competing
And if it's best to chase it at all costs
Well you can let them know that I lost control
Yeah I think I might concede it

'Cause I only wanna make things right
You didn't have to react
I swear I didn't mean it like that
And I hope you know that I sympathise
Although I have my doubts
I really hope that you can somehow work them all out
I begged you not to react
I swear it didn't happen at all like that
