

# Not Sure How To Lie

The Coronas

My words feel sad  
Much more that I'm afraid to even say  
So I'll just proclaim  
I'm all yours, if it's ok

Well I still arrive  
You know me and how I hate not being on time  
Can we talk outside  
They won't ask, no they won't mind

But I'm not sure how to lie  
And if I keep my mouth closed  
I might not let you know  
That I don't think you should go  
And if it's selfish and insane  
To ask you to stay  
I'm not sure how to lie

I can't relate  
Just you, the things are properly explained  
So I just proclaim  
I'm all yours, I hope it's ok

But I'm not sure how to lie  
And if I keep my mouth closed  
I might not let you know  
That I don't think you should go  
And if it's selfish and insane  
To ask you to stay

Oh, don't show me up, just show me love  
Cause I, if I'm not enough then I'm not enough

And I'm not sure how to lie  
And if I keep my mouth closed  
I might not let you know  
That I don't think you should go  
And if it's selfish and insane  
To ask you to stay  
I'm not sure how to lie
