

# Not What You Know

The Coronas

Right now it's your time to shine  
Got all your moves you know all your lines  
Keep up your head, you're doing just fine  
Move both your feet but move them in time

Cos it's not what you know  
It's what you can show  
Don't fear your mistakes  
Mistakes make you whole  
It's out of your hands  
Out of your control  
Give yourself in to it

Look now you're doing so well  
Still got your nerves but no one can tell  
And I know you can you know that as well  
You don't need a hand you got this yourself

And I know it's hard  
But it will get harder  
Yeah it will get harder  
Yeah it comes and it goes away  
Won't take forever  
It won't take forever  
Just keep getting better  
And you know what I always say

It's not what you know  
It's what you can show  
Don't fear your mistakes  
Mistakes make you whole  
It's out of your hands  
Out of your control  
Give yourself in to it

Well last time it all moved so fast  
You know what you have so just make it last  
You're playing your part, the part you've been cast  
You won't get the answers unless you ask

And I know it's hard  
And it just gets harder  
Yeah it will get harder  
Yeah it comes and it goes away  
Won't take forever  
It won't take forever  
Just keep getting better  
Cos you know what I always say

It's not what you know  
It's what you can show  
Don't fear your mistakes  
Mistakes make you whole  
It's out of your hands  
Out of your control  
Give yourself in to the  
Things that you know

It's what you can show  
Don't fear your mistakes  
Mistakes make you whole  
It's out of your hands  
Out of your control  
Give yourself in to it

And anywhere  
You need to go  
I will help you there  
There's nothing else you need to know

And I suppose that's hard  
To just let it go  
It's not what you have  
It's what you do with what you show

Give yourself into it  
Give yourself into it
