## The Correspondents

(Is where you want to be)  
(You talk of turbulent seas)  
(Above the waves) (another day)  
(Is where you want to be)  
(You talk of turbulent seas)  
(Above the waves) (above the waves)  
(Is where you want to be)  
(You talk of turbulent seas)  
(Above the waves) (another day)  
(Is where you want to be)  
(Is where you want to be)  
(Is where you want to be)  
(Is where you want to be) (Is where you want to be)

So I'm back in this place again  
If I see you I know what I will do  
'Cause I wanna make you mine  
So every single time  
We come here we are arm in arm  
On and on till the break of dawn  
An unobtainable you  
Sitting at the bar  
I stare odd  
You don't have a clue  
I got a plan for you

I've been watching you for a while  
Noting things that make you smile  
Mostly bits about work and going out  
Then I hear you talk about  
Seas and I'd have had no doubt  
That is where you'd most like to be

You talk of turbulent seas  
Above the waves  
Is where you want to be  
You talk of turbulent seas  
Above the waves  
Is where you want to be

So I wrack my brain, hatch a plan  
Source the name, meet the man  
Plot the route, fill the boot  
Head back to the bar in a brand new suit  
I down my drink, crunch the ice  
Stand up to you, you look nice  
Wait a while for you to smile  
When I ask you to come to the Devil's Isle with me

(I've got the keys to the devil's lighthouse)

Drive

Deep into the night  
(We'll)  
See that tower's turning light (Light)  
It's time  
To make a dream come true  
(We'll)  
Be  
Alone just me and you  
Drive  
Deep into the night
