The Coup

Come up come up man

Get it up, I mean give it up fool,
Now give me those minerals and those jewels
Because its me the e o v atech and I'm back with this jacket
Getting up on some products that I'm lacking
Well I'm that other goofless type of brother
Oh you ain't heard about my antique shit
I ran clique for mr be
They left the us frantic
Get us all romantic
Before they fucked us trying to hand trick
With a glock fore they bust us
Four hundred years ago fool where is my gold?,
The year is 94 black folks ain't taking it no more
Be on the rise the coup is not the bad guys
You know taking it from the rich giving it back to the poor
So yo put your two faced ass on the floor and get real
I can't feed my family with a happy meal
To the rescue but not long ranger with the lass
So I got the 9mm pointed at your ass
Yo so mr ibm
Give it up smooth
'cause this time all of your bowels gonna move
See its a family thing
So don't even trip
My cousin jetty got the nine
And my mama got the extra clip
So please oh please oh please give me them nikes and free cheese
And while your on them knees break me off of my gees
'Cause

We are taking these if you please
Cheerio
We are taking these if you don't please

knock knock motherfucka let me in
I just wanna kick it in your big ass den
And if you don't like it take two to the chin
And show me to the kitchen 'cause my kids are getting thin
I don't have to talk shit about packing a gack in fact
You could get fucked by any other motherfucker
Where I live at
Hear that money here is crystal clear punk
Fuck that fiscal year junk
Meet the pistol gripped punk
Pistol gripped punk meet mr rockefeller
We gonna take em out do em like ole yella
Its been too damn long this proper day mutual
That's why today it won't be business as usual
Call me the repo man

I'm a make you equal and
I'm get you if yo play my little sequel can
I know your down with the klan
But you must understand
You did the crime
So now its time to put this 9 in my hand.
So put the money in the bag and 86 the tricks
Don't forget to add grits with those afro picks
And free licks on that ass
'cause my ass is living fat
Boots you got my back where the fuck you at.
I'm gettting ammunition out the pinto hatchback
Refer to this as operation snatchback
Because I got the bullets and the hollow tips to distribute equally
So who's the niggas thugs and pimps you mention frequently
Take me with frequency now I know you got mail
And if my glocks fails
Take a sip of this molotov cocktail
Oh is that your rolls royce
Come off up them keys 'cause we are taking these
Even if you don't please

We are taking these if you please
Cheerio
We are taking these if you don't please

How does it feel when you got no food
Take out the supermarkets so the people wouldn't feel the move
How does it feel when you got no cash
How the fuck you thank you for it when your pocket singing naked land?

I choose to rock the boat instead to rock the boat
And threw the mayors body in the bay
To see if it will sink or float.
You try to be anectomy you can't we got agility
We taking factories production plants and all facilities
We got a gang of motherfuckas who done eat their wheaties
No pipsqueaks you swimming in your own feces
Proved us now you are through with us and don't need us
Should I use the rubber 'cause this shit developing up like a fetus
16 condos packed full of chickens
I ride shot gun and my trigger finger's itching
This shit is real we got the info meal
Is to drop it of fat the spot the 20 30 cubbile
I give a fuck if you the army navy or marines
Ain't seen the news 'cause you're bubblepacking uzi magazines
I see the po folks pull the trigger and flip the birdies 6 feet in the dirt
'Cause I guess he hadn't heard that
