

This Year

The Coup

This year will be the year That we do what we've been waitin fo
r This year will be the year That we stop knockin and kick down
that door Loved ones, we on the wire Hesitation is the drug of
choice This time we're on fire Make your mark on the world Let
em hear your voice

This year will be the year That we do what we've been waitin fo
r This year will be the year That we stop knockin and kick down
that door Loved ones, we on the wire Hesitation is the drug of
choice This time we're on fire Make your mark on the world Let
em hear your voice

Cuz our life on this ball is just a blink of an eye And ain't n
o fairy godmama gon' help you and I Woke up this mornin Brushed
my teeth and spit out the lies Decided I'm gon live if I am go
n have to die

And you can take it anyway you want You can take it anyway you
want You can take it anyway you want You can take it anyway you
want You can take it anyway you want You can take it anyway yo
u want You can take it anyway you want But just take it

This time we get it in We gon get em out they body, baby This t
ime we bust the ceiling O-o-o-o-oh fa sho We comin with tens of
millions Them villains be oh-so-
shady It's gonna be ending With us winning You already know
