

Aftershow

The Courteeners

The walk home from barbecue
Is so very long when I'm walkin with you
The sun is coming up, it is coming to light
That me and you were never that tight

And then you stand there with your old boyfriend
And message after message that you can send, send, send
You know I will definitely ignore them all
You're having a shit night, well I'm having a ball

You showed your face at the aftershow
How did I know that you would say you will go
It's because you're always listening to him
He's only average looking and a bit too thin
