

Don't Stop Now

The Cover Girls

Don't tell me that you're not a dancer
I've been watching you
I'm not taking no for an answer
Picture what we could do
No, no, casanova
Baby don't be shy
You've got the ways to win me over
All you got to do is try

Don't stop now, now that you've got me started
It's the perfect night, so right for love
Don't stop now, leave me broken hearted
We've come this far, baby don't stop now

I can tell that you feel the music when I'm holding you
If you want me go on and prove it
What have we got to lose
We could take it slow
All things come in time
I've been around enough to know I'm ready to cross that line

No, no, casanova
Baby don't be shy
You've got the ways to win me over
All you got to do is try
