

Goodbye's Not Forever

The Cowsills

I'm sitting in the Yukon, feel like cryin'
Just heard globes and maps, now I'm dyin'
Daydreamin' through branches
Good times gone bye, yeah, yeah
I'm sorry if I said goodbye

I remember times when you were sayin'
For every bad turn, a good turn turns your way then
We'll look to the future
We'll be side by side
I'm sorry if I made you cry

'Cause goodbye's not forever
When it comes to you and me
Goodbye's not forever
I'll be back when you need me
Goodbye's not forever
Wait and see (Just wait and see)
Wait and see, wait and see

We'll look to the future
We'll be side by side
I'm sorry if I made you cry

There will come a time when then this time's over
I'll pick you up, we'll be a few years older
We'll travel together, we'll stand side by side
I'm sorry if I said goodbye

Goodbye's not forever
When it comes to you and me
Goodbye's not forever
I'll be back when you need me
Goodbye's not forever
Wait and see (Just wait and see)
Wait and see, wait and see
