

Strange Love

The Cramps

Strange love, cutest thing I ever seen
Strange love, cutest thing I ever seen
You remind me of somethin' that I have seen in a dream

Can I take you out to dinner, some place where we can be alone
Can I take you out to dinner, some place where we can be alone
Tell you how much I love you, then let me hold you in my arm

You asked me there's honey, love to be your honeycomb
You asked me there's any honey, I love to be your honeycomb
Then when the time is right darling there'll be some lovin' goin'
n' on
