

Rupture

The Cranberries

Maybe maybe maybe maybe someone
Maybe maybe maybe maybe something
Save me save me save me save me someone
Save me save me save me save me something

You put a hole in my heart
You put a hole in my heart
You put a hole in my heart
Rupture the hole in my heart

Tell me tell me tell me someone
Tell me tell me tell me tell me something
Sell me sell me sell me sell me someone
Sell me sell me sell me sell me something

You put a hole in my heart
You put a hole in my heart
You put a hole in my heart
Rupture the hole in my heart
