

## Saving Grace

The Cranberries

It could happen here today  
It could happen here today  
And I can't wait to see your face  
No I can't wait to see your face

Can you hold on while I take hold of myself  
Can you hold on while I take hold of myself

You're the little thing, my saving grace  
You're just a little thing, my saving grace

It could happen here today  
It could happen here today  
You are my saving grace  
You are my saving grace

Will you be strong while I take hold of myself  
Will you be strong while I take hold of myself

You're the little thing, my saving grace  
You're just a little thing, my saving grace

It could happen here today  
It could happen here today  
You are my saving grace  
You are my saving grace
