

So you got bad in your blood
Brother, you're one of us
So you got bad in your blood
How long you gonna wait for those azaleas to burn?

"When azaleas bloom," he said
"When a flower blossoms red
That's the day, that's the day, that's the day
I'll love you
That's the day, that's the day
I'll love you."

So you got bad in your blood
Brother, you're one of us
So you got bad in your blood
How long you gonna wait for those azaleas to burn?

If you might then you may
There's no reason to live out in chains
Cause you're not alone
(If you might then you may)
With the daughters of sinners or the sons of saints
(There's no reason to live out in chains)
(Cause you're not alone)
If you might then you may
(With the daughters of sinners or sons of saints)
There's no reason to live out in chains
Cause you're not alone
With the daughters of sinners or the sons of saints

Oooh-oh

When it all turns you sour
Only love can turn you back
Stop waiting on the flowers
That don't mean a thing
Anyway

If you might then you may
There's no reason to live out in chains
Cause you're not alone
(If you might then you may)
With the daughters of sinners or the sons of saints
(There's no reason to live out in chains)

Cause you're not alone
With the daughters of sinners or sons of saints
