

Predator

The Crane Wives

What's the worst thing that could happen?
What's the worst thing you can imagine?
This world is a nasty place
I'm afraid to get comfortable

Unavoidable disaster
Serial over-reactor
My head is a nasty place
I'm afraid to get comfortable

What were you thinking?
Shouldn't you know better?
You opened the door for an apex predator

I keep forgetting
The lessons I've learned
So, I keep getting
Hurt

Oh, the path of least resistance
Foolish misinterpretation
Your heart is a nasty place
I'm afraid to say "no" to you

Keep your lies and your denial
I am fighting for survival
My heart is a changing shape
What if I said "no" to you?

What were you thinking?
Shouldn't you know better?
You took advantage of another anxious people pleaser

I keep forgetting
That you won't learn
So, I keep getting
Hurt
