

Melmac

The Cribs

You're consistently late
Expect a crackdown
You cried on our first date
Expect a crackdown
You have the evil gene
So how does it feel?
You continue this dream
And you'll never be real

Button moon is amazing
Pikachu ain't amazing, no

You're consistently late
Expect a crackdown
You cried on our first date
Expect a crackdown
You have the evil gene
So how does it feel?
You continue this dream
And you'll never be real

Life on Melmac's amazing
Life on Earth ain't amazing
Life on Melmac's amazing
Life on Earth ain't amazing

Life on Earth ain't amazing
Life on Melmac's amazing
John Wayne Gacy is crazy
Guess you can't call him lazy
