Tonight

The Cribs

I hold your hand in mine, tonight
Say that things ain't right, tonight
As I hold your hand in mine, tonight
Don't go

We start to lose the light, tonight
You know, I think you're right, tonight
We kiss we lose the fight, tonight
Don't go

It ain't gonna happen, baby baby
It ain't gonna happen, baby baby
It ain't gonna happen, baby baby
Don't go

We start to lose the light, tonight
You know, I think your right, tonight
We kiss and lose the fight, tonight
Don't go

It ain't gonna happen, baby baby
It ain't gonna happen, baby baby
It ain't gonna happen, baby baby
Don't go
It ain't gonna happen, baby baby
It ain't gonna happen, baby baby
No it ain't gonna happen, baby baby
Don't go
