

# Heaven for Everyone

## The Cross

While you are imagining, imagine for instance,  
The sights that you can take advantage of  
Look at the beautiful cloud formations below you and  
above you  
This could be heaven  
Think of the colour of the sun as it shines off the  
clouds  
In these days, (or see the stars), in these days, in these  
days of cool reflection  
You come to me and everything seems alright  
In these days of cold affections  
You sit by me and everything's fine  
This could be heaven for everyone  
This world could be fed, this world could be fun  
This could be heaven for everyone  
This world could be free, this world could be one,  
In this world of cool deception  
Just your smile can smooth my ride  
These troubled days of cruel rejection  
You come to me, soothe my troubled mind  
Yeah, this could be heaven for everyone  
This world could be fed, this world could be fun  
This should be love for everyone, yeah  
This world could be fed, this world could be one  
We should bring love to our daughters and sons  
Love, love, love, love  
This could be heaven for everyone  
(So take a seat and sit by my side a while)  
(You know I like your style)  
This could be heaven for everyone  
(So what can we do to clean up this mess)  
(Just feel so helpless)  
This could be heaven for everyone  
(So lift up your voice at least you'll have cared)  
This could be heaven for everyone  
Listen. What people do to other souls  
They take their lives, destroy their goals  
Their basic pride and dignity  
Is stripped and torn and shown no pity  
When this should be heaven for everyone  
This could be heaven, could be heaven for  
everyone  
And that is the end of this section.
