

"That's why"...

I'm a little less lonely walkin' round in the world today, oh,  
you don't hide from me  
I'm a little less older walkin' round in the world today, no yo  
u don't lie to me  
I've turned  
This way  
Today  
Again, again, again  
Oh, isn't that what we love for?  
Isn't that what we love for?  
Isn't that what we love for?  
Isn't that what we love for?  
Grace

I'm a little less lonely when we leave no games to play  
You let me believe  
Little less older when we leave no games to play, oh, you forge  
t me  
Yeah I've turned  
That's why  
Of you  
Again, again, again  
Isn't that what we love for?  
Isn't that what we love for?  
Isn't that what we love for?  
Isn't that what we love for?  
Grace

Oh, isn't that what we love for?  
Isn't that what we love for?  
Isn't that what we love for?  
Isn't that what we love for?  
Isn't that what we love for?  
Isn't that what we love for?  
Isn't that what we love for?  
Isn't that what we love for?  
Grace
