

## And Then He Kissed Me

The Crystals

Well, he walked up to me  
And he asked me if I wanted to dance  
He looked kinda nice  
And so I said, "I might take a chance"

When he danced, he held me tight  
And when he walked me home that night  
All the stars were shinin' bright  
And then he kissed me

Each time I saw him  
I couldn't wait to see him again  
I wanted to let him know  
That he was more than a friend

I didn't know just what to do  
So I whispered, "I love you"  
And he said that he loved me too  
And then he kissed me

He kissed me in a way  
That I've never been kissed before  
He kissed me in a way  
That I wanna be kissed forever more

I knew that he was mine  
So I gave him all the love that I had  
And one day he took me home  
To meet his mom and his dad

Then he asked me to be his bride  
And always be right by his side  
I felt so happy, I almost cried  
And then he kissed me

Then he asked me to be his bride  
And always be right by his side  
I felt so happy, I almost cried  
And then he kissed me, and then he kissed me  
And then he kissed me
