The Cult

Woke up this morning  
My head felt like a warzone  
A mess of excess last night  
If I get to the weekend  
I'm sure I'll find paradise, Oh yeah

Jesus symbol is spinnin' round my head  
Do you know my karma is cut up into shreds?  
I've been searchin' for such a long time  
I need that peace of mind  
Peace of mind yeah

All the time I wonder  
Where can I find this place?  
All the time I wonder  
Did I ever fall from your grace?

I got up this morning  
My head felt like a warzone  
A mess of excess last night  
I know if I get to this weekend  
I'm sure I'm gonna find paradise, Oh yeah

Jesus symbol is spinnin'  
Round my head  
Do you know my karm is cut up into shreds?  
I've been searchin for such a long time  
I need that peace of mind  
Peace of mind, Oh Yeah
