

# Bleeding Heart Graffiti

The Cult

I wipe the blood from my lip  
With a ragged scarf now  
I get the feeling  
You don't care anymore  
Shaken up and shattered  
I pick myself from the floor  
Those sweat stained dreams  
All tattered and torn

Oh bleeding heart graffiti  
I don't need it  
Baby I don't need it  
Oh bleeding heart graffiti  
I don't need it  
baby I don't need it

Amongst the broken glass now  
You standing in the street  
Times a crawling  
My life slipping by  
Although I hang my head down  
To the grownd and I  
Tired of crying  
Those whiskey soaked tears

Oh bleeding heart graffiti  
I don't need it  
Baby I don't need it  
Oh bleeding heart graffiti  
I don't need it  
baby I don't need it

I will follow the rainbow  
To the end of the road and I  
Didn't do you no harm, well woman  
I'm a man waiting for the sun to shine  
I have waited for too long, yea baby  
Don't you cry now woman  
Don't you cry now honey  
'Cause sometime that sun is gonna shine on me, yea

Oh bleeding heart graffiti  
I don't need it  
Baby I don't need it  
Oh bleeding heart graffiti  
I don't need it  
baby I don't need it

Bleeding heart graffiti  
I don't need it  
Baby I don't need it  
Oh bleeding heart graffiti  
I don't need it  
baby I don't need it
