

# Electric Ocean

The Cult

Oh yeah  
Ah-ah  
Oh yeah

Standin' at the shore  
A hurricane calls my name  
Beyond all I dream  
The electric ocean

Oh yeah  
Ah-ah  
Oh yeah

The spirit is free  
Where the wild things roam  
Next to the sea  
The electric ocean

Ocean of love (ocean of love)  
I'm thinkin' of (I'm thinkin' of)  
The place to be (the place to be)  
Electric sea

Oh, yeah, yeah, yeah, yeah

Ocean of love (ocean of love)  
I'm thinkin' of (I'm thinkin' of)  
The place to be (the place to be)  
Electric, electric sea, ow, yeah

Standin' at the shore  
A velvet song calls my name  
Beyond all I feel  
The electric ocean

Ocean of love  
I'm thinkin' of  
The place to be  
The electric sea

Ocean of love, yeah baby (ocean of love)  
I'm thinkin' of (I'm thinkin' of)  
The place to be (the place to be)  
The electric, the electric sea
