

Ressurrection Joe

The Cult

I said hep cats, sinners, brats
Suck on this for sunshine
This is the resurrection, yeah, of all the good times
I said hep cats, sinners, brats, sunshine
This is the resurrection, yeah, yeah, of the good times

I said hep cats, sinners, brats
Suck on me for sunshine
This is the resurrection, yeah, of all the good times

Resurrection Joe
Resurrection Joe

Two soldiers went marching
Well, down an open road
With a guilty load
One turned the other, said
I am dead
This is my calling
On to you
My resurrection for you, yeah

Suck on this for sunshine
Resurrection Joe

I said hep...
Suck on this for the sunshine

Resurrection Joe
