

## Accuracy

The Cure

We sit in the same room  
Side by side  
I give you the wrong lines  
Feed you  
Accuracy  
Accuracy

Look into my eyes  
We both smile  
I could kill you  
Without trying  
That's accuracy  
Accuracy  
Accuracy  
Accuracy  
Accuracy  
Practice all day for accuracy  
Mirror mirror on the wall
