

# Freakshow

The Cure

I can't believe it  
I must be dreaming  
She turns the sound down  
Says "I am heaving  
This is a freakshow"  
And I am screaming...

She spins the world round  
I want to stop

Bitter sweet again  
Her opening move  
Down and out in black  
Soft shiny and smooth  
Looks like the alien crowd got groove  
She burns her name into my arm  
But I can never get through

To play the game  
She's trying to lose  
Her ultraviolet  
Makes it harder to choose  
Looks like the edge of the earth got moved  
She blurs a way across the floor  
I spin to swallow the view

And it's the same sway  
Yeah it's the same slide  
It's the same stare  
Oh it's the same smile  
Yeah it's the same but...  
It's not quite right

Oh it's insane  
She shakes like a freak  
Stuck in the middle of the room  
For a week  
Looks like the only way to get on the beat  
Is take her up on how to swing  
But I am missing my feet

And it's the same sway  
Yeah it's the same slide  
It's the same swish  
Oh it's the same smile  
Yeah it's the same but...  
It's not quite right

I'm in a step  
...out!  
She's two more steps  
...down!  
For three steps up  
...clap!  
And go around  
...ow!  
It makes my head buzz

She wants to come now  
I try to stop

Always infradig  
Her finishing move  
Up and down in black  
Soft shiny and smooth  
Looks like the alien crowd got groove  
She cuts a number out my arm  
But I can never get through

To play this game  
She's trying to lose  
The stuff from mars  
Makes it harder to choose  
Looks like the final frontier got moved  
She blurs a way across the floor  
I spin to swallow the view

And it's the same sway  
Yeah it's the same slide  
It's the same strip  
Oh it's the same smile  
Yeah it's the same but  
It's not quite right...

I can't believe it  
I must be dreaming  
She turns the lights up  
Says she is leaving  
This is a freakshow  
And I am beaten...

She spins the world round  
I have to stop
