The Kiss

The Cure

Kiss me kiss me Your tongue is like poison So swollen it fills up my mouth

Love me love me You nail me to the floor And push my guts all inside out

Get it out get it out get it out Get your fucking voice Out of my head

I never wanted this
I never wanted any of this
I wish you were dead
I wish you were dead

I never wanted any of this
I wish you were dead
Dead
Dead
Dead
