The Cyrkle

Ah-ah

Ah-ah

There's another world of forces closin' in on me  
Can't face them all 'cause they're surroundin' me  
Feel 'em all around me, and there's no escape  
The vise is closin' nicely on a trap of hate  
(On the squeeze, squeeze play)

You got me in a corner, and you're movin' in  
To try to leave me helpless with the proven sin  
You didn't make a move you should have made before  
And now you say that all is fair in love and war  
(By the squeeze play, squeeze play)

(Squeeze play, squeeze play) Squeeze play  
(Squeeze play, squeeze play) Squeeze play  
(Squeeze play, squeeze play) Squeeze play  
Ah-ah  
Ah-ah

Love me just to get me  
Love me just to get me in a squeeze play  
(Love me just to get me in a squeeze play)  
Love me just to get me in a squeeze play  
(Love me just to get me in a squeeze play)  
Love me just to get me in a squeeze play  
(Love me just to get me in a squeeze play)  
Squeeze play, oh no  
(Love me just to get me in a squeeze play)  
Love me just to get me in a squeeze play

Don't you make it current in my mind begins  
To finally show me blindly where I've really been  
Said I, "You have to love someone but now I see  
Love thyself enough to see what love can be"  
(More than a squeeze play)

(Squeeze play, squeeze play) Squeeze play  
(Squeeze play, squeeze play) Squeeze play  
(Squeeze play, squeeze play) Squeeze play  
(Squeeze play, squeeze play) Squeeze play  
Ah-ah  
Ah-ah  
Ah-ah-ah
