

# Turn-Down Day

The Cyrkle

It's much too groovy a summer's day  
To waste runnin' 'round in the city  
But here on the sand I can dream away  
Or look at the girls if they're pretty

It's a turn-down day  
Nothing on my mind  
It's a turn-down day  
And I dig it

There's nothing easier I can do  
Than lying around doing nothing

It's a turn-down day  
Just a turn-'round day  
It's a turn-down day  
And I dig it

Soft summer breeze and the surf rolls in  
Through laughter of small children playing  
Someone's radio has the news tuned in  
But nobody cares what he's saying

Don't you know, it's a turn-down day  
Nothing on my mind  
It's a turn-down day  
And I dig it

Things that are waiting to mess my mind  
Will just have to wait 'til tomorrow

It's a turn-down day  
Just a turn-'round day  
It's a turn-down day  
And I dig it

It's a turn-down day  
Nothing on my mind  
It's a turn-down day  
Just a turn-'round day  
It's a turn-down day
